Wow. Fascinating article (admittedly, I skimmed and then focused on his conclusion.) Did Mitch point you to this or did you find it? Wondering if Gerrit has this? I would have suspected he would have included it with the petition if he did.

Jamal, you may find this an interesting read...

Mitch,

Good catching up today. I've put it on my calendar to call you in the next couple of weeks to follow-up on 4C waters.

Also, as discussed, copying Michele Wetherington so that you'd have her contact information. Her phone number is [404-562-9613](tel:404-562-9613). I let her know you might be calling.

Have a great weekend,
